### **ADSL:**

no minimum contract, no connection fee,  
average 11Mbit, unlimited allowance,  
FREE wireless router, £13.99 or £16.99 per month  
(LLU exchanges, e.g. Bognor Regis, are cheaper)

### **Fibre-Optic:** (LLU exchanges only)

18 month contract, £30 connection fee,  
unlimited allowance, FREE wireless router  
Ultra (average 35Mbit) £13.99 per month  
Ultra+ (average 63Mbit) £18.99 per month  
Full Fibre 100 (average 100Mbit) £21.00 per month  
Full Fibre 500 (average 500Mbit) £31.00 per month  
Line rental £19.00 with unlimited FREE off-peak  
landline calls (including 0845 / 0870)

Low price new line installation, with no contract  
UK's cheapest landline phone service (cheaper  
line rental & calls than BT, Sky, TalkTalk & Virgin)

UK's cheapest gas & electric with low price  
insurance & mobile phones & free LED light bulbs

Will pay up to £200 early termination fees for phone,  
broadband, mobile or energy contract switch

UK based technical support & voted UK's best  
value services by Which? for over 10 years!

I personally use them at home for gas, electric,  
line rental, telephone calls & unlimited fibre internet  
& pay, on average, less than £100 per month!
