 \*\*\* **CornerStone Computer Centre Limited Terms & Conditions** \*\*\*

All goods shall remain the property of CornerStone Computer Centre Limited until paid for in full & all prices include VAT @ 20%. Cancellation of an order after stock has been purchased will result in a 20% restocking fee. Cancellations must be in writing. Any shortages, errors or damaged goods must be reported within 7 days of delivery/collection. Goods are not sold on a trial basis. Unwanted or incompatible items cannot be returned for a refund. It is the customer's responsibility to check hardware/software compatibility before purchase - we can advise, but we're not going to know what you do or don't have at home! We're happy to issue a credit note or exchange on an item, if returned unopened & in original condition, together with the receipt, within 14 days of purchase. This in no way affects your statutory rights. Items that are not held as stock & are ordered as a 'one-off special order' will incur a 20% handling fee upon return. Any goods to be returned must be sent in the original packaging together with any & all manuals & accessories & will require prior authorisation. All costs incurred & any liabilities in returning goods will be met by the customer. Items returned as faulty will require testing to confirm the fault before a replacement can be issued - this can take up to 7 days. Items tested as 'no-fault-found' will be returned to the customer, at their cost, & will incur a £10 testing fee. Faulty items will be replaced with another item of equal specification - this may be a different make/model, if the original is no longer available. Items are generally replaced from stock, but where an item has to be returned to the manufacturer for replacement (e.g. hard disc drives), return times are out of our control, although 4-6 weeks is common. Unless otherwise stated, all new goods come with a 1 year & 2nd hand goods + repairs, with a 30 day, Return-To-Base warranty (i.e. to the above address). Some items (e.g. monitors & printers) have an 'end-user' warranty direct with the manufacturer. In such cases, faults MUST be logged directly with them. It will invalidate your warranty if we work on the item! Epson now have Express Service Centres (nearest: Computer Junction, 276 Arundel Street, Portsmouth, Hampshire, PO1 1NT, 02392-825210). CornerStone PC systems have a 1 year parts warranty & LIFETIME free technical support! Please note: hardware only - software is NOT supported under warranty. Misuse or deliberate damage (e.g. smoking) will void warranty. Component failure due to external effect (e.g. electrical spike, spill water, etc) is NOT covered under warranty (it is recommended to use an uninterruptible power supply (UPS) as surge protectors offer only limited protection). Overdue invoices are subject to an interest charge of 1% per week plus a £25 administration fee per (monthly) reminder. After 3 months, outstanding debts are passed to a debt recovery company who will instigate legal proceedings to obtain monies owed. CornerStone Computer Centre operates under a zero tolerance policy to staff abuse! If a member of staff is threatened or attacked, or a customer is in any way aggressive or abusive, we always call the police & we always prosecute. Please make cheques payable to: "CornerStone". A full list of our terms & conditions are available upon request. These terms & conditions are current as of 20th November 2011 & supersede all previous terms & conditions.
